We will do the casting calls in batches, according to the characters present. Leads will all be required to have an understudy unless we cannot find a good one. If we somehow run out of/can't do an arc's content, we will abridge the movies in singular episodes.

FOR CHARACTER CONCEPTS:

Crew:

Luffy: ultimate shitposter. Also, the ultimate ace icon.

Zoro: We can really take the "no sense of direction" gag to the max here, just don't know how, what, when, where, and why. The male fan service provider here. Whenever he inevitably takes off his shirt, we have women going "Kyaa!"

Nami: ABSOLUTE REGINA GEORGE-esque VALLEY GIRL. A raging misogynist.

Usopp: same dude. but everyone just refers to him a god and he's like "the fuck?"

Sanji: The goofiest silliest **FRENCH** accent possible. Probably reads stupid cypypastas. Also, should heavily remind me of Wilbur Soot's sad e-boy music videos.

Actual Chopper: the cutest being ever. the ship's assigned doctor, very smart cookie, loves sweets a lot and honestly... best boy 100%

ABRIDGED Chopper: should be able to switch between an cute little kid voice, the deepest voice on the fucking planet, and gollum. i don't mind casting multiple VAs just for this.

Robin: ARA-ARA extreme. Running gag that whenever she chokes someone they go "Kyaa!" Immune to fanservice references. OH YEAH NEW THOUGHT I FORGOT TO ADD, SHE'S ALSO A RUSSIAN SPY

Franky:

Brook: he's already pretty goofy, maybe amping up the bone jokes, but I want him to have the wisest, raspy voice I've ever heard in my life.

Jimbei:

Random People I happened to think about (Yes I was watching the Wano EPS during this how can you tell):

Kaido: sounds and talks like Master Oogway/Uncle Iroh, with a Chinese accent (not the stereotypical one like Sanji's, tho, I'm talkin like just the right amount yknow?

Law: the straight man to everyone's bullshit.

Yamato: a lot of references to fanservice: absolutely clueless.

Marco: sounds like a pothead, constantly.

Whitebeard: A lot of Walter White and your mom joke references. "The meth... The crystal meth is REALLLL!!!"

Shanks: southern as fuck.

Uta: meme rapper (like Pink Guy)

Coby: Kid Coby is basically just Kobeni Chainsaw Man. Adult Coby is traumatized by war.
