

ESTIEM Podcast

The mission of the ESTIEM Podcast is to serve as a platform where Industrial Engineering and Management (IEM) students seek inspiration by listening to successful stories of ESTIEM alumni and individuals connected to the ESTIEM network.

The podcast aims to showcase diverse career paths, personal growth journeys, and professional experiences, enabling students to learn from relatable role models within the community. In addition to career inspiration, the podcast addresses topics related to personal development, wellbeing, and challenges faced by ESTIEMers, supporting the holistic development of ESTIEMers both professionally and personally.
