Transportation Department
Board Report
October 18, 2021

- 1) Masks are required on all bus routes and athletic trips for all students & staff at all times.
- 2) We have revised our routes to begin school this year, are continuing to adjust where needed, all routes are filling up quickly.
- 3) We currently have openings for two full time bus drivers & one part time bus driver.
- 4) School bus safety week is October 18th-22nd, 2021. we will be handing out school bus safety booklets and going over school bus safety rules with all bus students.
- 5) We have added the MATCH program students to the afterschool program route.
- 6) We have a route for Charter early release on Wednesdays and also one route for Charter on Fridays as they have regular classes on Fridays.
- 7) Each day at the end of the routes, we use a fogger on each bus that transports children to keep them clean & disinfected. Between routes we use Lysol wipes and spray to clean seats and contact areas. All students & drivers wear masks or face shields while on the routes and have temperature checked before boarding the bus.
