

New Berlin Elementary Meet the Teachers
Wednesday, August 19, 2020, 2:00pm - 6:00pm

This is an event for your student(s) in Kindergarten - 5th Grade to meet their teacher and pick-up supplies for remote learning. We ask that the meeting be limited to the student and one parent/guardian.

Pre-K families will have their meetings at another time.

Students will receive their school issued Chrome devices and other learning materials from their teachers and will be an opportunity for our teachers to get to know their students prior to the start of remote learning.

Our specialists will also be available during this time to meet students as well.

Please follow the links below to sign up. If you are unable to come in during any of the times available on Wednesday, please contact your student's teacher for other options.

We will also be taking student pictures that evening for our student information system so be sure to stop by the main office to get your picture taken.

Lifetouch will not be here for school pictures and any email sent from them was sent in error. School pictures will be scheduled at a later date in the year.

We are very excited to see our students and families and continue to work hard to prepare for the 2020-2021 school year.
