

Service Hour/Volunteer Opportunity List 2026-2027

The following is a list of non-profit organizations pre-approved for service hours. Many others likely qualify, please see the College Center to verify. Please note, not all agencies have opportunities at all times of the year. Students are responsible for contacting organizations and setting up their own opportunities to volunteer. * *External service hour opportunities are shared for informational purposes; however, CNCA does not sponsor, endorse, or supervise them.*
