

Rivesville Elementary Middle School

School-Parent Compact

Rivesville Elementary/Middle School believes that all children can learn. It is our belief that students and the school must work together to ensure the highest possible level of achievement for all students.

To accomplish this, parents, teachers, and students need to make a commitment to work together. We ask that you agree to the commitment by signing the parent part of the compact. Read over the student part with your child(ren) and have them sign.

This school-parent compact is in effect during the school year 2026-27.
