## RULES

### *Format by Division*

**Men's 3.0-3.5 Doubles:** Round Robin - Play each team in your division twice.

Division Winner chosen by overall total matches won. If there is a tie, tie-break determined by least total matches lost.

### **Mixed Combo Doubles:** Pool Play

Pool A: 3 teams

Pool B: 4 teams

Play each team in your pool for first rounds to determine ranking. Then bracket play follows. See chart below.

All teams advance. All teams must be ranked within their pools based on match wins. For any ties, use the tie-breaking procedure below. All first-place and second-place teams to the Gold playoffs. All third-place and fourth-place teams to the Silver playoffs. Playoff positions on the tournament brackets will be based on pool finish to avoid teams from the same pool playing each other in the first round.

Since all teams advance to playoffs, ties will not be decided by playing a set. 1. If 2 teams from the same pool are tied their head to head match determines order of finish. 2. If 3 teams from the same pool are tied after match and point differential have been calculated, a coin flip will determine the order of finish.
