

## Why West Central?

The answer seems quite simple! But don't take our word for it. Here are the reasons why parents choose to send their children to West Central. They may live in another school district, but choose to have their child educated at West Central. Upon completion of Out of District paperwork, parents are asked to state the reasons for their child's transfer on that form. Here are their responses for the 2024-2025 school year:
