A Quick Guide, ToS to my commission info!

What will you draw?

I am now a hybrid SFW/NSFW artist on FA!

What I will draw:

Almost anything SFW!

LGBTQ+

Genitals, Nipples, Kissing, Sex

What I will NOT draw:

Hateful material (Racist, Homophobic/Transphobic, Sexist)

Political stuff

Anything too explicitly NSFW (I am more into tender sweet or fun! I am not into anything too "hardcore")

please do not be shy to ask me what I will or wont draw, I will not be offended!

How do I get art from you?

- 1) email me at rql.street@gmail.com
- 2) send me a reference or description of your character(s), and how you'd like me to draw them!
- 3) We discuss!
- 4) you send me payment on paypal
- 5) I finish your art!

I often have YCHs, sales and more on my FA, look out for my posts and journals!

ABOUT ME

Hello, my name is Kel! She/they. I am 33. I am very friendly and would be happy to chat! Feel free to add me on discord.

I am disabled and have some health issues that may affect how quickly I make your artwork, please be aware of this going forward <3

there are times where I can produce quickly, and times where I have to delay and take care of myself. I hope you can understand and be patient with me if that occurs!!

Thank you!!
