WOMEN'S POLITICAL COMMITTEE

SFWPC's Committees are dedicated volunteers who promote the mission, vision, and values of SFWPC through organizing and action.

Generally each committee meets once a month for about an hour, with check-ins, meetings, and activities coordinated by the Chair(s). Folks may join more than one committee if they have time or ask to help only with specific tasks.

Each Committee is led by a Chair or Co-Chairs on SFWPC's Board. View our current Board here
