CENTER STAGES

Season Selection Submission Form

Brazosport Center Stages advances its mission of enriching, educating and entertaining people and seeks to build community while sharing and instilling a passion for theater in our audiences and patrons by serving residents and visitors in Brazoria and surrounding counties through high-quality theater and education outreach and emphasizing our competitive advantage of real-time authentic theater experiences.

*The call for season selection submissions is sent to current directors, assistant directors, and community for input. Each production submitted will require a separate form to be provided to the Vice Chair of Productions by **December 31, 2021**. (If you need more time- please do not hesitate to reach out) Each submission will be reviewed thoroughly by the Season Selection Committee. Committee members may contact the person providing the submission with questions or set up an interview about your submission. However, they may not, so we encourage those who submit to make sure to fill out the forms as completely and comprehensively as possible.*

The recommendations of the Season Selection Committee will be reviewed by the full BCS Program Activity Group and final selections will be made. Selected productions/personnel will be notified by the Vice Chair of Productions and will participate in a mandatory Season Selection Workshop in March.

If you have any questions regarding the Season Submission Form, you can contact the Vice Chair of Productions @ productions.centerstages@gmail.com
