

Hello...I'm Yesenia Calderon your new Central Middle School nurse. I am a Donna High School graduate but now live in Weslaco. I have been a registered nurse now for 9 years. All my experience has been in the Pediatrics field. I spent my first 5 years as a Pediatric nurse at Valley Baptist Hospital and I also worked the Newborn, NICU, and PICU floors. For the last little over 3 years I worked as a Clinical Supervisor at a Pediatric Private Duty nursing company that cares for chronic children.
