

If you could sleep anywhere for 1 night, where would you sleep? Why?

Anita

I would want to sleep in a zoo because I never sleep with so many animals before.

Ashley C.

I want to sleep in a castle because it is very big

Heather

I would like to sleep in a swimming pool because the water is so cold.

Koharu

I would like to sleep on top of a rainbow above Niagara Falls because then I could get a really good view of it.

Richard

I would like to sleep above the clouds, because the clouds are puffy and it's really cool above the clouds, and you can see tiny little ants crawling all around.

Jia Qi:

If I could sleep anywhere I want I would sleep on the moon or in a zoo. Maybe on top of an animal cage. I would also like to sleep inside a sand castle.

Yuka

I would like to sleep in a zoo because people can never sleep in a zoo. Also I want to sleep in a panda's cage.

Yebin

If I could sleep anywhere I want to spend one night in a castle because I will have a HUGE room and I could have anything I want.

Tae Min

I would like to sleep in a princess school because I can be a princess i will try to look like one maybe i will try wig that looks like a heart plus i will get a unikitty and the school is 1000 times taller than a sky scraper

William

If I can sleep anywhere for one night I would sleep in the sky because I can look down and say "Hi!"
