

Attendees:

1. Angshu
2. Mohit
3. Bindu
4. Michael
5. Romain
6. Swetha B
7. Laxman
- 8.

Talk Thread: <https://talk.openmrs.org/t/bahmni-pat-call-on-14-aug-2019/24314>

Agenda:

1. Bahmni 0.92 release

Notes:

[Angshu] Released the 0.92 and announced it on Monday.

1. Talk thread link -> <https://talk.openmrs.org/t/announcing-release-of-bahmni-0-92/24288>
2. No tech features have come as part of 0.92 except few minor bug fixes. Details can be found in the Release notes.
3. Openerp to odoo 10 upgrade is done as part of 0.92
4. Thanks to the entire community for supporting with release. It was a great help with testing from community and collaborative way of work has done.
5. Special thanks to IPlit, Satvix, Possible health for making the migration from openerp to Odoo smooth. Also special thanks to JSS who have engaged with us and given us valuable feedbacks
6. Odoo implementation user guide is up-to-date. Implementation guide is in progress.
