Create a Conquer Casino account and land a 200% match bonus plus 15 free spins. Interestingly, the spins will work on one of the best slots from Play'n GO: Book of Dead. You only need to deposit a minimum of \$10 to claim the offer.

Playing at Conquer Casino comes with more perks in terms of bonuses and games. Read on, as we'll discuss all the site's features in this review.

Bonus Claims and Instructions

With your first deposit as a new player at Conquer Casino, a 200% match bonus of up to \$50 is yours. It comes with 15 free spins.

This is an exclusive offer, which you'll claim with promo code "BOD15." The minimum deposit to qualify is only \$10. However, payments you make using Skrill or Neteller don't qualify.

Once claimed, you have 30 days to spend the cash bonus, or it expires. Meanwhile, the free spins become invalid after seven days if you've yet to use them.

The wagering requirement before withdrawing winnings is 50x. Also note that you can only win a maximum of 3x your deposit amount with the bonus cash. For free spins, the winnings are capped at \$20.

Other Promotions

The Conquer Casino promotions page features more interesting bonus offers. Check them out below:

Double Delicious

This promo rewards 25% of your deposit up to \$500. You can claim it twice, and the minimum amount to qualify is \$10. The offer is open from Monday to Friday — it's unavailable on weekends.

Conquer Casino sets a two-day validity period to use the bonus after opting in. If you make winnings, you must also complete the 50x playthrough requirement within two days, or it expires.

Friday Points Boost

Comp points are up for grabs every Friday at Conquer Casino. In other words, you can strengthen your chances of entering the VIP program, which is filled with exclusive rewards. All you have to do is deposit at least \$10 using the promo code "FPB."

Once your transaction is successful, the casino credits you five points. Then, you get access to missions, and you get five more points for each one you complete. You don't get free cash or spins to play with, so there's no wagering requirement to meet.

Saturday Spinner

Saturdays are also fun at Conquer Casino, especially if you're a slot fan. If you fund your account with up to \$10, you receive the equivalent of 10 free spins to play Banana Rock. The promo code to use for this bonus is "PLAY."

Like other Conquer Casino promos, you only have two days to utilize the free spins. Additionally, your winnings are subject to a 50x wagering requirement.

Sunday = Funday

On Sundays, Conquer Casino has a noteworthy offer worth 20% of your deposit up to \$500. Enter the promo code "SUN" when making payment, and ensure the amount is at least \$10. The 50x wagering requirement and two-day validity period also apply here.

Cashback Weekends

During weekends, your losses at Conquer Casino will hurt less, thanks to the cashback bonus. With a minimum deposit of \$25, you can get up to 15% of your losses back. However, the cashback is specific to the particular games you'll choose while paying.

If you use the promo code "MARKER," you'll get the cashback when playing roulette games only. Meanwhile, you can get the bonus on all other games (except blackjack) with the promo code "DEALER."

Notably, the cashback is capped at \$500, and you qualify if your losses are at least \$1. The best part is that there are no playthrough conditions attached.

Conquer Casino VIP Program

Promotions at Conquer Casino peak when you become a VIP player. Known as the Rewards Program, you get in by earning points as you play games. Subsequently, you can redeem points for offers like free spins, deposit bonuses,

and cashback in the Conquer Casino Rewards Store. If you don't exchange your points, you can still win prizes from deals and tournaments exclusive to VIPs.

The Conquer Casino VIP program has tiers, which you climb as you earn more points. Likewise, a higher status begets more rewards.

Conquer Casino Review

The Conquer Casino interface appears intuitive and modern, suggesting it's new. However, the platform was launched in 2014 by ProgressPlay Limited. With nearly a decade of operations, Conquer Casino has established itself as a reliable name in the iGaming space.

You can sign up at the site and rest assured that it's legit. That's because Conquer Casino holds two iGaming licenses: one from the Malta Gaming Authority and another from the UK Gambling Commission. Consequently, the platform welcomes players from countries across the globe.

Know that the details you provide are 100% secure at Conquer Casino. The website employs SSL, which encrypts traffic from your device to its web server. Such staunch encryption ensures no third party can access your information.

Thanks to its support for multiple payment methods, depositing and withdrawing are a breeze. You also enjoy adequate customer support. For gambling on the go, the website is compatible with iOS and Android devices.

Games and Software

Different game categories are available at Conquer Casino – slots, table games, and live dealer games. However, the site's lobby contains more slots, including premium titles from top software providers.

When you visit the site, expect nothing less than 1,500 games, and some popular ones include:

- Toucan Wild
- Wild Sands
- Persian Jewels
- Book of Demi-Gods

Deposits and Withdrawals

Conquer Casino supports payment methods like bank cards, PayPal, Skrill, Neteller, Pay via Phone, Apple Pay, and Neosurf for deposits. With these options, transactions are more or less instantaneous.

For withdrawals, the payment methods are the same, but processing takes at least a day. Additionally, there's a 1% processing fee of up to £3 per withdrawal.

Due to regulatory laws, Conquer Casino mandates that players complete KYC verification. So, after creating your account, you'll have to provide proof of identity, proof of address, and proof of funds. You'll send this via email, and the site takes up to three days to verify it.

Mobile Compatibility

You'll be disappointed if you want a mobile app from Conquer Casino. However, you won't be if you seek quality gaming with your smartphone. That's because the Conquer Casino website plays perfectly on mobile browsers and is fully responsive. Also, with options like Pay via Phone, it's clear the website caters to smartphone gamers.

Customer Support

The Conquer Casino customer support team is reachable via live chat and email. They're online 24/7, so you can send a message at any time. Also, the FAQ and other resources on the site are helpful.
