

## **Aylesbury and District Tennis League AGM**

### **Chairman's Report – November 2025**

The ADTL Committee has had a busy year and we are pleased to present our reports at the 2025 League AGM, to be held on 17<sup>th</sup> November at Aylesbury TC.

In terms of the Committee itself, Richard Keightley has decided to step down. We thank Richard for his contribution. The rest of the Committee will stand for re-election for the year ahead. We are always looking for new members so if you would like to join the committee then please contact our secretary Nicky at [adtlsecretary@gmail.com](mailto:adtlsecretary@gmail.com) or speak to one of the committee at the AGM.

There are several reports included in the AGM pack setting out the Committee's activities over the past year and I would like to thank all the Committee members for their hard work over the past 12 months.

We had a very successful playing season, with the details set out in the Divisional Secretaries' report. As you may know, the Knock-Out Cup finals were held at Berkhamsted TC on 24<sup>th</sup> September. I would like to thank Berkhamsted for being excellent hosts and congratulate Berkhamsted, Thame and Tring for winning the Gold, Silver and Bronze Cups respectively.

We also held an enjoyable presentation evening on 28<sup>th</sup> March at Ellesborough GC. Many congratulations to all the clubs who won trophies and divisions. We would also like to thank Neville Pimm for his excellent work in supporting the committee in organising the evening. The 2026 presentation evening will take place on Friday 10<sup>th</sup> April 2026 – please add this date to your diaries!

There are two matters that I would like to draw to your attention:

Firstly, we are holding a vote of our clubs on a proposal to change the ADTL match scoring. Details on the proposal can be found on our website at [Clubspark / Aylesbury & District Tennis League / Score proposal](#). The vote closes on 31<sup>st</sup> December and we encourage all clubs to submit a vote.

Secondly, as set out in our Treasurer's report, we propose to set up a grant application scheme with our surplus funds. Clubs can therefore apply for funds to support projects. We are working out the details of the scheme and will publish these in due course.

We hope that the attached reports are informative and to see many of you at the AGM. In the meantime we wish everyone enjoyable and successful winter and summer seasons ahead!

Paul Vicary

Chairman, ADTL
