

CCC Monthly Juniors Newsletter Oct 2021

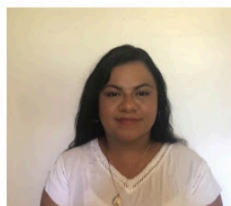

Dear Juniors and Parents,

We are halfway through October and the Common App, the UC and the CSU applications are now open! To give you an idea of how we are serving our seniors, over the last week representatives from College of Marin, 10,000 Degrees, Huckleberry joined the San Rafael CCC staff in offering application workshops to senior students. Seniors had the opportunity to ask questions and work on their applications with advisors on hand. Also, students continue to make appointments to work on essays and make their college lists. Make sure to stop by and make an appointment.

We are also in full swing with our campus rep visits. The schedule can be found below so if you would like to meet with the college rep from your dream school, either virtually or in person, come to the CCC to look at the schedule and sign up!

Here's to a great October! Happy Halloween!

California Colleges

We are excited to announce that San Rafael City Schools is partnering with California Colleges, which acts as a one-stop resource to help students discover their college and career goals and make plans for how to achieve them. Once rollout of the platform is complete, students will be able to launch their community college, CSU and UC college applications and also their financial aid (FAFSA and Dream Act) applications directly from their California Colleges accounts.

College and Career Center staff and SR Counselors will be sharing more information with students about how they can utilize California Colleges to support their post-secondary planning as the year proceeds. We will also be sending a letter sharing information about how families can access California Colleges resources.
