## **Notes for all PGA Families**

In order to do critical work on our Mission and Vision and planning for the 2022-23 school year, Friday, January 21, will be a completely asynchronous school day. This includes middle school advisory and lab.

### **Student Drop Off**

All families dropping students off should follow [PGA traffic flow and parking document](#). For student safety, we ask that you **please do not pull into the parking lot on the east side of the building for student drop off/pick up.**

### **Intent to Return for the 2022-23 School Year**

In order to know how many seats we will have available to offer to new students during the school choice window, we need to know how many of our current students are planning to return. Let us know your plans for next year by [visiting this link](#). Please complete this by January 14, 2022. It will close at 4:00pm.

## **Notes from Elementary**

### **Spelling Bee for 3rd - 8th grades**

PGA is holding a Spelling Bee this year! If your student (or you!) would like to participate in our school Spelling Bee, please respond to this [survey](#). The student will need to come to the building to participate; we don't know the time yet, but it will be in the afternoon around 1:30.

*Grades 3rd, 4th, and 5th : January 11th*

*Grades 6th, 7th, and 8th: January 13th*

You don't need to do anything else right now except let us know that your student (or yourself) wants to participate using the survey. Each participant will receive a study list and they have until the day of their school (PGA) competition to study.

Following the school competitions on January 11th and January 13<sup>th</sup>, there will be a written test for our PGA Spelling Champions on January 20<sup>th</sup> at 1:00 pm. The top 21 finalists from the District-wide written test will attend the live Spelling Bee at the District Offices on February 7th at 1:00pm.

Please email [martinem@psdschools.org](mailto:martinem@psdschools.org) if you have any questions.

**FREE At-Home Screening Tools for Learners**

Is your child experiencing significant challenges or limitations at home, school, or play? Do you wonder if your child is developing similarly to their peers?

Our free screening tools will help you explore your concerns and therapy options. Behavior, communication, or physical therapy approaches may provide the extra support your child needs!

ABA THERAPY   SPEECH THERAPY   OT/PT   MENTAL HEALTH

Click on the graphic to get more info.

**Children & Teens Clothing Closet & Food Pantry** - reach out to your child's counselor for access.

Virtual students -Tuesday Advisory stay the same from 2:03-2:33. Wednesdays will be extended 45 minutes and run from 2:03 - 3:17.

The primary purpose for this extension is to give "rising Sophomores" (current 9th graders) time to learn about the expanding class selection and work based learning opportunities in Poudre School District!
