

Application for admission to VDA 6.3:2023- Process Auditor-Examination

Please note the new requirements regarding VDA 6.3:2023.

Date of application:

Preliminary remarks

Please submit the following documents for each candidate:

- a copy of your certificate of qualification or booking confirmation of the training "VDA 6.3:2023 – Process Auditor – Qualification"
- proof of completion of a three-day auditor qualification course based on DIN EN ISO 19011 (e.g. VDA Auditor)
- proof of knowledge of the Automotive Core Tools
- proof of a least five years of full-time professional experience at the production company, at least two years in qualitymanagement (personal data sheet). Company apprenticeships can be taken into account for candidates with three years or more of professional experience.

Company apprenticeships are counted toward the candidate's professional experience at a rate of 50%, and only for candidates who have completed a dual course of apprenticeship/study in a technical profession at the production company.
