

Wagner's 3rd Annual War of the Words

Wagner's War of the Words is a reading incentive program for students in 3rd thru 6th grades. With your team you will read books and come together in to demonstrate your ability and to test your knowledge of the books you have read.

War of the Words will run from Sept. 18 to March 12.

The competition will be held the week of March 15 - March 19.

With your team, you will read and discuss the books on the book list.

On the day of the competition, teams will be asked questions, Family Feud style, to determine which team will move to the next round.

You will need to pick a captain (spokesperson) for your team. After the question is given, the team will have about 1 minute to collaborate the answer and the captain will answer. Only the captain is able to answer.

Your team will earn one point for the title of the novel and a second point for the author.

Each team will be given a set of the books to use and share between the team. That team is responsible in returning ALL books. If any book is damaged or missing, the team is responsible for the replacement cost.
