News from the High School Counselor

Hello Parents,

Starting next week, we will begin testing grade 5, 6, 7, and 8 ELL students with the bi-yearly MAP test (schedule below). Later this semester, we will be giving our grade 8 and 9 students the PSAT. The fall MAP tests are another time for our students to show what they know in these various subject areas: language usage, reading, math, and for the 7th graders, science as well. Their scores will then provide them and you a baseline for which to gauge improvement from semester to semester each year. Teachers can also use these scores to help plan their curriculum and teaching methods. Student's scores help teachers to know which areas students have performed well, and which areas they can stand to improve the most.

The PSAT 8/9 is an exam administered once per year to grade 8 and 9 students to help them prepare for the [SAT exam](#) that most students will take in grades 11 and/or 12. This exam includes 3 sections (Reading, Writing and Language, and Math). Students do not need to prepare anything for this exam as this is only practice. We are also planning on providing the PSAT to our grade 10 students as well, with dates for all of these exams to follow. More information about the PSAT 8/9 can be found [here](#).

After all of the testing sessions have been completed and all students have finished all of their MAP or PSAT tests, we will close the testing sessions. At that point, it usually takes about 2 weeks for us to have results sent to the school. Once we receive those results, we will distribute them to students for them to bring home.

It is important to remember that these scores are only one of many indicators of a student's performance in school. Student's grades in their classes along with feedback from their teachers are other great ways to see how your child is progressing, in addition to checking PlusPortals with your child each week (or ParentPortals on your own).

Here are a few tips to help your children prepare and get the most out of these tests:

- 1) Try not to stress too much! These tests are only used as a guideline and won't affect students' grades. They don't need to study for these exams. Students should show up with a charged laptop, a positive attitude, and prepared to give their best effort!
- 2) Get plenty of sleep. Getting 8-10 hours of sleep, though challenging at times, has shown to be an effective way to maximize focus and concentration, reduce stress, improve immune system function, among many other benefits.
- 3) Eat a healthy breakfast. By doing this, students will gain essential nutrients that help provide energy, improve alertness, mental performance, concentration, mood, and memory.

If you have any questions about these upcoming exams, please let me know. I would be happy to meet with you to discuss them or any other topic. Have a great week!

Monday, September 19: Grades 5 and 6 Language Usage

Tuesday, September 20: Grade 5 Math, and 7 and 8 ELL Language

Wednesday, September 21: Grades 6, 7, and 8 ELL Math

Tuesday, September 27: Grade 5 Reading and Grade 7 Science

Wednesday, September 28: Grade 6, 7, and 8 ELL Reading

Thursday, September 29: All Grades Makeup exams

Friday, September 30: All Grades Makeup exams

Peer Tutoring

The TCIS Peer Tutoring Program will be starting on **September 26**. We are currently in the process of seeking peer tutors as well as students in need of tutoring. If your child is in need of tutoring, please help them reach out to me directly. I have already posted in their Google Classrooms with the information I need from them.

Peer tutors will be available from 3:20 - 4:00 PM Tuesday through Thursday and will meet in the TCIS Library. All peer tutors are available on a first come first serve basis. We will do our best to find your child a peer tutor, if one is available for the subject they are requesting help for.

If you have any questions or concerns, please let me know.

Regards,

Jeff Chelin

High School Sports Update

September 18

Dear Parents,

As you probably know by now, Sports are back at TCIS! For now, only for High School students, but we hope to see MS and ES have opportunities to play soon also. This year, MS and ES Sports will be organized by ASEP.

High School Sports will experience a phenomenal transformation this year, as we will pilot our sports programs on a year-long basis. This was a specific request for improvement from the HS Student Council last year, as well as a suggestion from the department for the last two years. It might take some time to get adjusted to the concept of practicing a sport with a more long-term approach, but we are convinced that students will be happy to be able to enjoy their favorite sport (or sports) on a regular basis, resulting in increased levels of engagement, growth and development at all levels.

With the return of sports, competition will also resume. After the dissolution of BISAC two years ago, we are now full members of AISAA and most of our competitions will take place in that context. Other members of AISAA include Concordian, Berkeley, Wells, KIS or ASB Sukhumvit. There will be time to talk about competitions further down the line, but right now our priority is to get students playing!

This is the practice schedule starting on the week of Sep 19:

	Monday 4.00 to 4.45	Tuesday 3.45 to 4.45	Wednesday 3.45 to 4.45	Thursday 3.45 to 4.45	Friday 3.15 to 4.00
Gym 4	HS G Basketball	HS G Volleyball	HS B Volleyball	HS B Basketball	HS Badminton
Gym 5	HS Badminton	HS B Basketball	HS G Basketball	HS G Volleyball	HS B Volleyball
Field	HS Softball	HS Soccer	HS Softball	HS Soccer	

Sign ups will continue open on a rolling basis at least until the end of Quarter 1 and students will be able to sign up for a sport (or change their current choice) **always one week in advance**.

I am very happy to get sports started, and I know many students are as well. **This will be a great year for Sports at TCIS.**

If you have any questions, please feel free to contact me and I will be happy to help. Take care and stay safe.

Mr. Adrian Martinez
Director of Sports

Band News 2022 September 16

From Mr. Cary, Here's what your young musician is doing in Band:

WIND ENSEMBLE and GRADE 8 BAND

Our Bangkok International Music Festival field trip was a great success! The festival band sounded fantastic, and our students had so much fun (and delicious lunch). Thank you to the ISB Music Teachers for hosting the event and to festival conductor Dr. Thanapol. Congratulations to Pawat, Zun, YoSing, Samor and Lucas!

Computer Policy for 2021-22

Student Computers - 2022 - 2022

The Faculty and Administration believe technology is a powerful and integral part of the TCIS instructional program. While there are many good computers on the market, please understand PC/Windows based computers are not supported for academics at TCIS.

TCIS Secondary School is a MacBook/iPad one-to-one school - MacBooks or iPads are required for all grade 9 through 12 students.

*Please have your child bring their Mac computers to all classes. **PCs are not allowed.**

Save money when buying a new Mac and iPad for use in education.

Hair Color Requirement at the TCIS

It is a requirement that students at the TCIS maintain their natural hair color. Other colors (including highlights, shading, etc.) are not acceptable. While students enjoy trying new things in Secondary School, hair color is not one of those things that we allow students to experiment with.

Section 5.4-2 (page 29) of the Student Parent Handbook (Uniform and Appearance) regarding hair color:

Hairstyles, if considered inappropriate for students in a school setting, will not be allowed.

Hair, even if colored, should be of natural hair color or hue.

Hair Styles Not Permitted at TCIS for Students from PK2 to Grade 12

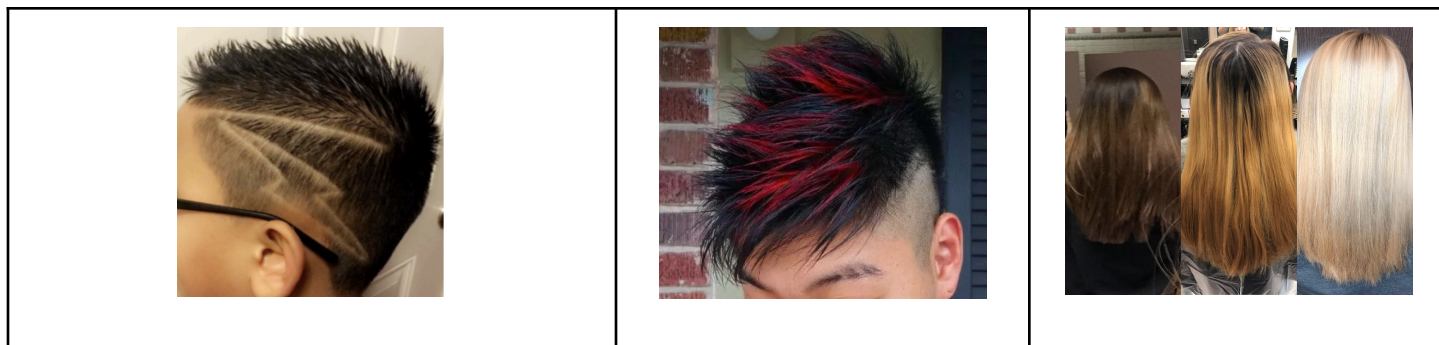

Images such as lightning bolts are not shaved into a student's hair.(Example: Image 1)

Hair must be kept as the student's natural color. Dyed, highlighted, bleached, or colored hair is not permitted at TCIS. (Examples: Images 2 & 3)

Parents/visitors who wish to enter campus are asked to schedule an appointment through the registrar.

- Masks must be worn at all times, including the classroom.
- Students' temperature is checked upon entrance.
- Late students must check in with the Registrar to receive an "Admit to Class" slip. The registrar is located in the main lobby of the admin building.
- Students must use hand-sanitizer before entering school and before entering each classroom.
- Students must sanitize any shared classroom materials/supplies after each use.
- Students sanitize their desks before leaving from every class, with the provided supplies.
- Students must remain socially distant at all times.
- No more than 4 students in the restroom at any given time.
- Students may take their backpacks into their classroom for each block to avoid groups at the lockers.
- MS Students have a 20 minute transition period between classes.
- Students may wear a face shield as well as a mask but not instead of a mask.
- Lunch (Students' temperature is checked upon entrance to the canteen before lunch).

SLO

Be sure each lesson incorporates the SLO's and that students understand why this is important.

Visiting the Campus - Who to Contact

Parents/visitors who wish to visit campus are asked to schedule an appointment through the registrar or with Ms. Note for the High School. They will follow-up on your request. The appointments must be confirmed via email before parents enter the campus.

Reporting Student Absences and Tardies

Send an email to: registrar@tcis.ac.th

Or

Call the Registrar's Attendance line at: [02-751-1201](tel:02-751-1201)

Please notify the registrar as soon as possible of your child's absence or tardiness from school. A parent or guardian must email the Registrar within one day following the absence.

Excused Absences

For an Absence to be Excused, a parent must email/call in the absence within 24 hours. The reason for the absence must be supported by the factors outlined in the attendance policy:

- Illness with medical documentation
- observation or celebration of a religious holiday
- recovery from accident with medical documentation
- required court attendance with court notice
- death in the family
- other absences that may be deemed acceptable by the Head of Schools or Designee

Unexcused Absences

If a parent does not email/call in the absence, the student is marked as absent without excuse.
