SB 24-129: Non Profit Information Sharing

Implementation of SB24-129

On May 28, 2024, Governor Polis signed [SB24-129, Non Profit Information Sharing](#), into law. This bill prohibits a public agency from requiring any person to provide the public agency with data that may identify a member of a nonprofit entity (member-specific data) or compelling the disclosure of member-specific data; disclosing member-specific data to any person; or requesting or requiring a current or prospective contractor for a current or prospective grantee of a grant program administered by the public agency to provide a list of nonprofit entities to which the current or prospective contractor or grantee has provided financial or nonfinancial support. If a nonprofit entity or any of its members are affected adversely by a public agency's violation of the bill's provisions, they may initiate a civil action against the public agency in district court for injunctive relief, damages, or such other relief as appropriate. Finally, the bill prohibits a custodian of public records from requiring a nonprofit entity to produce member-specific data that is contained in public records where such records are not subject to inspection and copying pursuant to the "Colorado Open Records Act".
