

# Haynes Charter for Enriched Studies

## Bike, Scooter, and E-Bike Policy

---

### “Mustangs Walk Their Wheels”

Student safety is our top priority. **To help keep our campus safe, electric bikes, motorized bikes, motorized scooters, and other motorized riding devices are not allowed on campus.** Students may not ride, park, or store these riding devices at school.

Students at Haynes may ride a regular, non-motorized bicycle or scooter to school with parent/guardian permission. Regular bikes and scooters must be:

- Registered with a bike permit from the main office
- Parked in the designated bike parking area
- Locked and secured by the student
- Used with a properly fitted helmet, which is mandatory for student safety

For safety, all bikes and scooters must be walked as soon as students enter school property. Bikes and scooters may not be ridden anywhere on campus, including sidewalks, walkways, playground areas, near school entrances, or in staff parking lots.

Students who wear helmets onto school property must make sure their faces are visible while on campus. Helmets may not cover a student’s face because staff must be able to clearly identify students for safety and supervision.

Families are encouraged to review bike and scooter safety with their children, including following traffic laws, using crosswalks, and being careful around pedestrians and cars.

Students who do not follow this policy may lose the privilege of bringing a bike or scooter to school.

\*This policy is subject to change at the discretion of LSLC to best support student safety and school operations.
