

*The broadcast returns and descends back on STAPLES Center! We see the ring is filled with **balloons held up on the ringposts** as well as a blue carpet across the mat. The balloons are colored blue and white, how coordinated! There's even some Smackdown Women's Championship balloons as well with a banner reading "**CONGRATS RONDA!**" in big, bold, painted lettering. In addition, there's a massive standee of Ronda holding the Smackdown Women's Title, as well as a few presents!*

"NEW FOUNDATION"

***Natalya** walks out here, grinning wide! Nattie leads the troops here as **Beth Phoenix and Shayna Baszler** follow Nattie along to the ring. They all get inside here as they aren't received too well here in Los Angeles. But, it's very clear none of them care. Natalya then snatches the microphone from Greg Hamilton.*

NATALYA

Ladies and gentlemen!

Some groans and some boos. Nattie still smiles as she looks around.

Natalya

PLEASE RISE for the arrival of the guest of honor. She is the FIRST female UFC Hall of Famer. She is the LEADING box office attraction in the world of combat sports and sports entertainment. She is THE FACE... of the Women's Revolution.

That one doesn't go over well.

Natalya

She is the FORMER Raw Women's Champion and now, it gives me great pleasure to say this, she is the NEW! SMACKDOWN WOMEN'S CHAMPION!! THE BADDEST WOMAN ON THE PLANET!! RONDAAAA ROUUUUSEYYYY!!!

"I DON'T GIVE A DAMN 'BOUT MY REPUTATION!"

And the trio in the ring claps now as we then see that

The Champ is HERE!

***Ronda Rousey** walks out with her newly won Smackdown Women's Championship on her shoulder. She smiles as she looks around here and then marches down. Ronda is seen wearing her trademark leather jacket, a*

*'BADDEST' tee, jeans and black boots. The Rowdy One doesn't acknowledge any fans on her way to the ring, though we see plenty who aren't in favor of her. The new champ gets to the ring **and first there to hug her is Nattie of course!** Ronda embraces her friend and then begins embracing everyone else, **Shayna included**, as there doesn't seem to be much animosity between them either. Rousey then heads for the corner here, **and then***

*We're already cutting into that pyro budget, y'all! Rousey gets off the corner here and then poses with everyone in the ring! **As we get the visual with them having all four titles!** Ronda looks at everybody here as Nattie commands everyone's attention again.*

Natalya

Ladies and gentlemen, once again, your NEW Smackdown Women's Champion, Ronda Rousey!!!

Heat! Ronda makes a 'sobbing' gesture to the people who are mad right now. Ronda requests the mic and looks out at everyone.

RONDA ROUSEY

So this is the thanks I get... from my own hometown of Los Angeles.

Lotsa boos, lotsa thumbs down, the whole lot.

Ronda Rousey

That's alright. You're all bandwagoners, anyway. That's all this town has ever been.

Damn! Ronda shakes her head as she hands the mic back to Nattie.

Natalya

Now, Ronda, let's not focus on the negative. Let's focus about your championship-winning performance, something that nobody else in LA has known about for years.

Ouch. So much for the LA Kings in 2014 I guess. That's only five years!

Natalya

You dethroned Bayley from the top of the mountain. Which, let's be honest. Bayley didn't *belong* at the top. You did, Ronda.

Ronda smiles and nods her head. "Paper tiger," Ronda says with confidence.

Natalya

And now, it is *clear*, abundantly clear, who the most *fearsome* and powerful foursome is in WWE. It is clear who the most *dominant* faction in the entire sports entertainment industry is. And at the forefront of it... is you, Ronda Rousey.

Ronda seems just so touched by Ronda's words.

Natalya

Ronda, not only are you at the forefront of The Sisters of Doom. Not only are you at the forefront of Smackdown and the WWE women's division. You are also the reason for the WWE Women's Revolution.

"That's right!" says Rousey.

Natalya

Too many have tried to deny your impact. Too many have tried to silence the work that you've done. You did it all by yourself. You didn't need anyone's help. You weren't born on third base. You didn't loudly showcase your arrogance, have an impossibly high opinion of yourself, or throw temper-tantrums when their friends were displaced from them. No. You worked hard. You came back this year from a broken hand and what did you do? You went right back to where you belong, that's what you did!

Well... she is right. Rousey nods her head again here as Nattie is speaking nothing but truth to her.

Natalya

And I'd like to say, on behalf of all of us, that we are so happy for you and your accomplishments. We are so happy that you've assumed your rightful place at the top of this division. There is nobody else who deserves it or who has EARNED it... so thank you, Ronda.

Nattie comes over and hugs Ronda! There's still plenty of resentment here from the crowd as Nattie breaks from the hug a few seconds after telling her that she loves her.

Natalya

The girls and I, your sisters, we went through the trouble of getting you a few things. First... a tribute video to you, our hero, our leader, here you go.

Nattie points over to the big, fancy, new tron!

A video then plays! It highlights Ronda Rousey's life, pretty much, up to this point. It starts off with her journey through the ranks of the Judo world. Then MMA, UFC, the height of her career! Her appearance at WrestleMania 31, and then her reappearance at the 2018 Royal Rumble! Her first year is shown, dominant as it has been! But... **suddenly the video stops!?** That's... odd. Nattie seems a bit disrupted here, but **the video then begins to play again!** Nattie is relieved here, **but... not for long...**

The video then starts to show **Ronda, well, frankly getting her ass kicked!**

It highlights **Becky making her tap out in the locker room last November...**

Charlotte Flair kendo-sticking her at Survivor Series...

Sasha Banks getting in offense at the Royal Rumble...

And Bayley beating her ass last week on Smackdown and on Raw after the Rumble as well!

Plus clips of her getting roughed up otherwise!

Natalya

Okay stop! Stop the video!!

Aw, but it was just getting to the best parts! Nattie looks over at Ronda.

Natalya

Okay, I don't know how that happened. Someone messed up the video. That wasn't the video that we made.

Ronda shakes her head. She knows something's going on here... maybe she doesn't want to admit it, but Ronda tries to cool Nattie down.

Ronda Rousey

It's fine. It's fine. Production screws everything up all the time anyway.

Damn, shots fired.

Ronda Rousey

Let's open this present?

Natalya

Yeah! Good idea! We pitched in for this. It was Shayna's idea.

Nattie goes and grabs what appears to be a very large portrait, if we could guess. Maybe a painting, maybe something super-imposed? We don't know!

*Ronda is handed it. She unwraps it, as we don't see what's under the wrapping as the camera's facing away. And not cutting back and forth a BILLION and a half times either. **Rousey finishes opening it and... looks over at the three of them. Without an expression.** The others look on a little confused.*

Ronda Rousey

Are you serious?

*The others look around at each other and **Ronda turns the item around.***

*We see that it's a portrait. **It's a portrait alright...***

...

...

...

Of BECKY LYNCH

CELEBRATING AT WRESTLEMANIA THIS YEAR!!

Oh no! Oh that's not good! And this was Shayna's idea?!

Ronda Rousey

What the *hell*... is going on? This was *your* idea Shayna?

*Shayna says off mic that **it wasn't what they bought.** Ronda then animatedly reacts.*

Ronda Rousey

Then once again, I ask, what the *hell* is going on right now? If someone is manipulating things in the truck and out here then *maybe* they should stop being a coward!

Ronda's clearly not taking this anymore. Her celebration? It sure doesn't feel like one right now!

Ronda Rousey

C'mon! Get out here and stop being cowards! I have a pretty damn good idea who it is too!!

Yes... don't we all, Ronda. Don't... we... all...

Nattie then comes over and tries to calm Ronda down.

Natalya

Ronda, Ronda. Okay. Y'know what? This is my fault.

Ronda looks at Nattie, both annoyed and confused.

Natalya

It's my fault. I should've been more vigilant with this. I... I should've protected the gifts better. I had them in the locker room. The door wasn't locked. I'm sorry. Really.

Geez... Ronda is still pretty annoyed right now but Nattie just seems to be intent on continuing to talk.

Natalya

I wanted you to have the BEST... celebration. But, let's forget about this. Let's forget about the video. Let's forget about the present. There's one more thing.

One more? Nattie then goes over and finds another square portrait. Looking to be plaque-shaped.

Natalya

I guarded this with my life. I *know* it's for real.

*Ronda glares at Nattie as she takes it from her. She then starts to rip it open, quickly at that. **And... she looks at it and... smiles.***

We see why. The camera picks it up...

*It's a plaque commemorating her title win at SummerSlam last year
AND Smackdown last week!!*

Nattie looks to be quite relieved here.

Natalya

Okay. There we go. This is all about you. This is all for you. So what a better way to remember you and your accomplishments forever than having two memories be shared forever.

Ronda smiles and nods her head, as she's clearly gotten in a better mood now.

Ronda Rousey

Well, all that nonsense aside... I guess that's what this is all about right? A celebration. For me. OF me. For all I've done.

Rousey smiles again as the others nod their heads.

Ronda Rousey

Well... thank you then, sisters.

Rousey then approaches the three of them.

Ronda Rousey

WE... are a *true* family. Through thick... and thin. WE... are the most dominant group. Nobody else can compare... and they never, ever have.

*And we get ourselves a **group embrace!** How nice...*

A few seconds later, everyone's attention is a little jarred

Or maybe quite a BIT jarred!

...

...

...

"CELTIC INVASION"

Oh baby!!

The crowd goes WIIIIIIILD!

With no immediate presence, we're left to wonder where she is! But then

Up

IN THE CROWD

IT'S BECKY LYNCH!!

THE MAN IS HERE!!! *And she's in a pretty familiar spot, wouldn't you say!? She walks through the tunnel here, stopping by the top of the stairs in this section she's in! And she, of COURSE, has a microphone. The crowd drowns everything out for a bit here and then Lynch gets on the mic.*

BECKY LYNCH

Well... well... WELL.

You can just hear the energy in Becky's voice right now.

Becky Lynch

Hey Ronnie.

Lynch smiles. The HATRED in Rousey's face next puts a nice juxtaposition.

Becky Lynch

Did ya like my gift to you? Hope you didn't mind, the other picture wasn't so great.

*Becky then reaches back behind her jacket here and pulls out the other picture! **It's of Ronda punching Becky!***

Becky Lynch

See what I mean? Who needs this? That other picture is *much*, much better. Am I right LOS ANGELES?!?

*Plenty of cheers there! Lynch then puts the picture down and **steps on it, showing how much respect she has! Or how little!***

Becky Lynch

Oh, Ronnie, Ronnie, Ronnie. This looks familiar right? You, standing in the ring, all mad. Me, standing up in the crowd, lookin' down at a couple of DOPES!!

We're suddenly remembering November 2018 again with this one.

Becky Lynch

Y'know, you should've foreseen this. This is why I never wanted any celebrations. Why I've never wanted a celebration, a coronation. All they ever do is get interrupted by the people you don't like.

Becky Lynch: Avid Product Watcher.

Becky Lynch

And boy... there ain't many people around who don't like you the way I don't like you, Ronnie. In fact... I'd say that, well! I don't like you the most of **ANYBODY** around here!

Cheers! Ronda seems to echo that resentment. Suddenly though, a voice is heard...

"Hold on, hold on, hold on!"

And a pop echoes! The speaker was...

SASHA BANKS! WAIT A MINUTE!!

Sasha's here!! The Boss arrives right NEXT to Becky!

SASHA BANKS

Hold on. Becky...

Sasha pauses to let the crowd get their shit in here.

Sasha Banks

Becky. All *due* respect, I have to say... I hate that *b*tch* too!

Hello! Banks glares out at her.

Sasha Banks

That's right, Ronda. I don't like you. I never have. And I never will. You know why I "disrespected you" back in January? Because I **DON'T** respect you!

Hey, fair enough!

Sasha Banks

All you are Ronda... is a vulture. Yeah. A vulture. You and your best friend and part-time champion are nothing but vultures. Vultures who FEASTED on the work that women like me did here in WWE LONG before you ever got here!!

Whoosh. Getting a bit real here! Banks has plenty of venom. It's like she was waiting for this moment...

Sasha Banks

I will *never* forgive you for that. I will *never* forget it either. You're a *fraud* Ronda and not someone who should EVER be celebrated for the things that they've done!

Becky laughs in the background and smiles, as if to say she likes what she's hearing!

"Whoa, whoa, whoa, hold on, hold on,"

A new voice is heard!

We've got another one joining the party!

IT'S BAYLEY!!!

The former Smackdown Women's Champion has arrived in the same tunnel! Bayley looks at both Becky and Sasha.

BAYLEY

I just wanna make sure... that everyone knows that I heard you both just now. And...

Bayley smiles...as she looks out at the foursome in the ring.

Bayley

I can't help but feel the same *damn* way.

Oh yeah! Alright! Bayley looks to continue here.

Bayley

Ronda!! You have something that I worked so hard to get and I'm gonna let you know that I'm not gonna STOP until I get it BACK!!

*Determined sounds Bayley, who stares right at Rousey! Rousey shares the same expression, **and then another rise in the crowd is heard!***

Because someone ELSE has joined the party!

CHARLOTTE FLAIR IS HERE NOW!!!

Oh... boy...

Flair has a microphone in her hand already and doesn't arrive with words, but her presence instead. Bayley, Becky, and Sasha look at her as Charlotte looks on at them all.

CHARLOTTE FLAIR

You tried... to break my neck... crush my throat... and end my career.

Anger is stewing inside Charlotte, who doesn't flinch.

Charlotte Flair

As far as I'm concerned...? ALL of you... can go to HELL!!

Tell 'em Charlotte!! There's some unitedness between the four in the tunnel, facial expressions and all are telling the story. Flair brings the mic back up.

Charlotte Flair

But unfortunately, since none of you are paying a visit to Hell anytime soon... then a backup plan has to be initiated.

Flair keeps her stare going here.

Charlotte Flair

Since you can't go to Hell... ... then I guess...

Charlotte looks back at the trio... who remain united...

Charlotte Flair

We're just going to have to put you all through it instead.

Oh shit-

OH SHIT!!

Charlotte then brings up her mic once more.

Charlotte Flair
TOGETHER!!!

Charlotte spikes the mic

And starts to walk down the steps!

...AS DOES BAYLEY...

...AS DOES SASHA...

...AS DOES BECKY!!!

Step-for-step, pace-for-pace!

THAT FOURSEOME is heading down the stairs!!

They eventually reach the bottom of the steps and then start walking on the floor level!!

The Sisters of Doom meanwhile are reacting!! Ronda tries to get them to calm down but some bickering between Nattie and Shayna happens!! Beth tries to get them on the same page also, and Ronda YELLS at all of them.

Ronda Rousey
ENOUGH!! ENOUGH OF THIS!!

Becky lets out a laugh here as she stops everyone else to "watch the show."

Ronda Rousey
Do you actually think this is anything but a stunt!? A show!? They don't have the unity that we do! We know this! We know this!!

Becky Lynch
You don't know a DAMN thing, Ronnie!!

*Ronda glares back at her as Becky laughs again. She then motions her head and the trio follows her! **And they hop over the barricade! And start walking around ringside!** Becky tells them to follow still, **as Becky hops up on the apron!***

She looks out at the four ladies... as Bayley then hops up to join her!

And then Sasha joins them, standing next to Bayley!

And then CHARLOTTE joins them all, standing next to Becky!!

AND LOOK

AT WHAT

WE HAVE HERE!!!

BETH PHOENIX... NATALYA... RONDA ROUSEY... SHAYNA BASZLER!!!

THE SISTERS OF DOOM IN THE RING

AND

CLIMBING INTO THE RING

ONE AFTER ANOTHER

BAYLEY... BECKY LYNCH... CHARLOTTE FLAIR... SASHA BANKS!!!

... IN THE RING NOW, PATHS FINALLY CROSSING

ALL AT ONCE

TOGETHER

IN STRIKING DISTANCE!

...

...

Confidence, bravado, gleaming on one side...

Nerves wracked... tension... fear? On the other side...

...

...

...

"Sisters," says Bayley, who gets a grin on her face.

"Let's have fun."

Oh yeah.

We're going to have fun alright.

AND HERE!!!!!!

WE!!!!!!

GO!!!!!!!!!!

CHARLOTTE LAUNCHES AT NATALYA

AND THE REST FOLLOW IN!!

BAYLEY ON RONDA

SASHA ON SHAYNA

BECKY ON BETH

4-ON-4 VIOLENCE!!!

FINALLY!!!

*Fists FLY in the ring as a melee has broken out!! A HUGE brawl!! And Bayley, Becky, Charlotte, and Sasha are **OVERWHELMING** The Sisters of Doom!!*

THEY SEND THEM ALL OUT OF THE RING JUST A FEW MOMENTS LATER!!!

WHEW BUDDY!! This team just came in like a tidal wave! Firing on all cylinders! And together they just dismissed their arch enemies from the ring!!

Ronda grabs everybody here and pulls them away from the scene!!
The Smackdown Women's Champion is NOT HAPPY!! And she's letting that be known here! But then, we hear a voice again.

Becky Lynch

Hey!!

Ronda looks up as Becky has now commanded everyone's attention!

Becky Lynch

Listen to me and you listen good, *b*tch!*

There's enough venom to take out an entire town.

Becky Lynch

You and your friends can run away right now all that you want to. But on October 26th...

A huge rise for that!!

Becky Lynch

The storm... the wave... the FORCE... that I told you, at Madison Square Garden, was going to come... is gonna come STEAMROLLIN' RIGHT INTO BROOKLYN, NEW YORK!!!

One might say that Becky is letting off... straight fire.

Becky Lynch

And there isn't a chance that ANY OF YOU like what happens after it's done with all of you!!!

*Whew. Man. Man oh man. Lynch, after she's done staring, looks over her shoulder. **She tosses the mic at Charlotte!** Flair catches it and Becky nods, as if she's telling her that she knows what to do. And well, Charlotte seems to get the message...*

Charlotte Flair

Because now? Ronda? Shayna? Nattie and Beth? Now... you aren't just dealing with... *One...*

Charlotte and the rest of them start holding up one finger...

Charlotte Flair

Not TWO...

*Charlotte reaches out and finds Sasha, **who lets her pull her in!** Wow!
They and Bayley hold up two fingers as we can't see Becky right now.*

Charlotte Flair

Not THREE...

*Bayley then comes into focus, **embracing Sasha**, holding up a third finger!*

And Charlotte lets out a smirk

As Becky comes into focus now! As she leans back against everyone!

Charlotte Flair

THE FOUR...

HORSEWOMEN...

ARE COMING...

FOR YOU!! WOOOOOOOOOO!!!!!!!

They all

HOLD UP

FOUR FINGERS!!!

WHAT A SIGHT TO BEHOLD!!! *After several months, several YEARS of
conflict, inner strife and outer. Disagreements, arguments, beatdowns.
Legendary collisions. Tag affairs. Friendships. Betrayals. After
EVERYTHING...*

THE FOUR HORSEWOMEN

ARE FINALLY TOGETHER!!

And NOTHING

May EVER

Be the SAME

AGAIN.
