

NMC Library 'Curiosities' Student Reflection Template

Q1: What's something from this week's assigned material that you reacted strongly to? This could be something that resonated or stuck with you, or an idea you found challenging or felt skepticism toward.

Q2: What is something another participant shared in this week's Curiosities discussion that surprised/interested you? This could be an idea about the material that you hadn't considered, or new information about the topic that was shared.

Q3: What connections can you draw between this week's Curiosities discussion and our course material and discussions so far this semester?

Q4: How did the Curiosities discussion connect to your prior knowledge and experience related to the topic?

Q5: What is something you'd like to learn more about as a result of participating in the Curiosities discussion?
