READING

VI. Read this information about a man who is applying for an office job. Fill in the job application with the appropriate information.

Paul Topping is 20 years old and he is looking for a job in an office. He is not married. He's an accountant and he is studying how to use computers. In his free time he likes reading and biking.

JOB APPLICATION	
1. First Name	
2. Surname	
3. Age	
4. Marital Status	
5. Occupation	
6. Interests	

VII. Read the passage and answer the questions that follow.

There are many kinds of businesses. Some are small, and others are large. For example, Mr. Jones has a small company. He is the boss, and he employs two people. Mr.

James and Mr. Brown are in the shoe business. They have a large company called the James and Brown Shoe Company. Fifty employees work in their factory, and two secretaries work in their office. The employees receive their pay every two weeks. Anyone who wants to apply for a job at the James and Brown Shoe Company must call Mr. Brown's secretary for an interview with Mr. Brown. Both Mr. James and Mr. Brown want employees who work carefully. They do not want employees who are careless and often absent.

- How many workers does Mr. Jones employ? _____
- What business are Mr. James and Mr. Brown in? _____
- How many employees work for the James and Brown Shoe Company? _____
- How often do the workers receive their pay? _____
- What do people need to do if they want an interview with Mr. Brown? _____
- What kind of employees do Mr. James and Mr. Brown want? _____
