Future Innovators Lab: Digital Citizenship Pledge

Course: Future Innovators Lab: Designing AI Solutions for Real-World Problems
Instructor: [Instructor Name]
Contact: [Email Address]

Our Digital Citizenship Promise: As members of the Future Innovators Lab, we recognize that technology is a powerful tool. We pledge to use it responsibly, ethically, and thoughtfully to make a positive difference in our world.

As a Future Innovator, I Pledge to:

1. **Be Respectful:**
   - Respect the rights, feelings, and work of others online and offline.
2. **Be Responsible:**
   - Use technology carefully and follow school guidelines for safe and ethical use.
3. **Protect Privacy:**
   - Keep my personal information private and safeguard the privacy of others.
4. **Think Critically:**
   - Evaluate digital information thoughtfully and recognize bias, misinformation, and ethical concerns.
5. **Act with Integrity:**
   - Acknowledge when AI or online sources assist my work and avoid plagiarism.
6. **Promote Positivity:**
   - Use technology to inspire, solve problems, and make a positive impact.
7. **Report Concerns:**
   - Immediately report any harmful, unsafe, or inappropriate behavior or content to a trusted adult.
8. **Balance My Use:**
   - Practice digital wellness by balancing my screen time with healthy offline activities.

Our Community Commitment: By signing this pledge, I commit to being a responsible digital citizen and a positive member of the Future Innovators community.
