

Creative Flow: Intuitive Art

Libby Curtis Webb

Fall 2025

1. Watercolor palette for mixing
2. Watercolor paints of red, yellow, blue, black, and white (or a full color palette, if preferred)
3. Watercolor brushes of varying sizes (round brushes of 12, 10, 8, 6, etc.)
4. Watercolor paper size 11" x 17". The paper needs to be of high quality to withstand the project. This is the paper I typically purchase and supply:
