

RESOLUTION No. 2024-02
February 28, 2024
CREATING A STRATEGIC PLANNING COMMITTEE

Whereas our Mental Health Board is tasked with preparing and publishing One Year and Three Year Plans;

Whereas with our research into community behavioral health resources and needs has provided us with a fair notion of what behavioral health needs we should focus on in the future; and

Whereas we need to discharge our legal obligation to publish at the earliest feasible time; now, therefore, be it

Resolved,

1. that the Lisle Township Mental Health Board create a Strategic Planning Committee;
2. that the Strategic Planning Committee draft One Year and Three Year Plans; and
3. that the Strategic Planning Committee present their draft Plans to the full Board for discussion, adoption, and publication.
