

These are the system notes for the resolution of the exploration of Mag Mell by Bilgewater.

- [Island exploration rules page](#)

Votes

Bilgewater will try to tame the dinosaurs and dragons (Epic Research with Major Military subchallenges). It will also hunt for pelts. (Minor Military)

Champions: They will send Nami, Katarina, and Twisted Fate.

Refused help from the Freljord

Challenge: Hunt for Pelts

This is a Minor Military challenge. Dinosaurs rolled 8 Strength; Bilgewater has 88. We didn't bother rolling this one. They succeed.

→ Minor Commerce reward.

Challenge: Tame Dinosaurs

Bilgewater decides to try to tame some dinosaurs (and dragons, because we're upgrading this one to Epic.)

Challenge: Epic Research (Difficulty 90)

Rolling for subtask type. 1 Espionage, 2 Research, 3 Industry, 4 Military

- Major Subtask: Espionage
 - Difficulty: 80
 - Bilgewater's Espionage: 55
 - TF: 66+
 - Kat: 89+
 - Bilgewater's main roll: 92+
 - They succeed dramatically, reducing main task difficulty by 2d20.
 - Result: 21
 - Difficulty reduced to 59 (kinky)

Main challenge: Difficulty 59 Research

- Bilgewater Research: 65 (Base 40, +10 Nami, +10 Marai, +5 Aeaea)
 - Roll modifier: +56%
 - Result: 101
 - Success!

They tamed some dinosaurs and dragons.

Rewards

From dino-pelts: Minor Commerce (+10 Commerce points)

From dino-taming:

- Major Military: +10 Strength

- Minor Industry: +100 points

100% Completion bonus: random Minor

- Roll d3: 1 Research, 2 Military, 3 Commerce
 - 1: Research (+110 points) (Nami/Bilgewater passive, +10%)

MIA

- **TF: 5.**
- **Katarina: 5.**
- **Nami: 9.**

Outcome

Bilgewater hunted some dino-pelts and tamed a bunch of dinosaurs and dragons to be their friends. They now have raptor-riding pirates and industrial stegasauri. They also found some intriguing research. Dinosaur. Things. Like. Uh.

Summoner Jeffrey Goldblum was on hand, is what I'm saying.
