

**Goal:**

Local Route DGI is a collaborative effort with local and touring professional disc golfers to share their knowledge to aspiring amateurs. Disc golf brought an abundance of recreational players in recent years, and their recreational interest has grown into a competitive drive. Local Route DGI wants to provide an opportunity to support that growth and to provide guidance to these new and/or existing players.

**Instructors:**

The instructors for Local Route DGI bring over a combined fifteen years of professional disc golf experience.

**Bryson James** [PDGA #56345](#)
