

BY THE AUTHORITY OF THE STATE OF DIXIE  
**AN EXECUTIVE ORDER**

*Whereas*, in January of 2021, eight former states of the United States were united under the name of the State of Dixie;

*Whereas*, the name “Dixie” has a deeply troubled and racist past, having been glorified by the Confederate States of America or groups inspired by the Confederacy, and;

*Whereas*, the people and the government of Dixie deserve a name for the State that can represent everyone in the state, rather than a racist past that ought not to be glorified;

**NOW, THEREFORE:** I, Tripplyons18, Governor of the State of Dixie, acting under the authority granted to me by Article IV, section 5 of the Constitution of the Great State of Dixie, do hereby order as follows —

**SEC 1. CLARIFICATION OF NAMING CONVENTIONS.**

- (1) The agencies of the State shall, upon the enactment of this Order, use the name “Great State of Douglass”, or alternatives “Douglass” and “State of Douglass”, in place of the name “Great State of Dixie” or other variants in all documents published by the State notwithstanding additional statutory requirements enacted after the enactment of this Order.
- (2) When used under the mandate on style and convention provided by this section, “Douglass” or variants shall be implied to mean “Dixie”, in its capacity as the official name of the State.

- (3) The mandate on style and convention provided by this section shall not be construed by the employees or the agencies of the State to imply a change in the name of the Great State of Dixie.
- (4) It shall be the policy of the State of Dixie to maintain “Dixie” and variants of “Dixie” as the official name of the State until an appropriate amendment to the Constitution of the Great State of Dixie is adopted to change such official name.

## **SEC 2. ENACTMENT.**

- (1) This Executive Order takes effect immediately upon publication in [the Douglass Register](#).
- (2) This Executive Order shall remain in effect unless it is superseded by another statute or repealed by another Executive Order.
