

Jacklust: A Fanfic

by 5&5=weirdxc

“Whyyyyyyyyyyyyyy?” I say, while grudgingly looking around my Danceverse hub. “Why do you have to be so shy around him, Wanderlust?” I say to myself while I enter Betaland. I see *The Sweet Escape*. Scrapped from *Just Dance 2021*. Can be found in the *Just Dance Unlimited* files to this day, but was never used. It really is a sweet escape there. Candy almost everywhere, good sights to see, if you climb up the beanstalk. But you might get stuck going on and on and never reach the top. “Next time, just go and say ‘I like you, Jack,’” I say to myself. “It’s no big deal, right? Just a guy, like me, with...” I pause. “...very good looks, and he’s very handsome...” I get lost in thought for a second. “Snap out of it, Wanderlust!” I say to myself, again. “Let’s just... see what the other Just Dancers are up to!” After I find the danceverse that the other Just Dancers are in, I take a big jump. “Hey, what’s up, everyone?” I say. “Just figuring out what store to shop in at this mall,” Brezziana says. “And today, the Just Dance socials posted this,” she explains. “Then someone posted this,” she adds. “What?” me and Jack say at the same time. “I *definitely* do not like like him,” I say. “Yeah, me neither,” Jack says. “We’re just friends!” “Mmm-hmm,” I say. “I definitely do not want to be more than friends.” “Oh, I should probably get home for dinner,” Brezziana says. “I’m getting kinda hungry.” “Me too,” Mihaly says. “OK, I’m just gonna go home too. I’m probably gonna play video games.” “Bye!” everyone says at the same time. That night, I have a dream about him. Just me. And him. He admits he likes me, and then we kiss. And make ****. “Just me and you, forever,” Jack says. I wake up and realize that it was all a dream. A dream that, on a scale of 1 to 10 if I could wish to make it true, I would give it an 8 or 9. That morning, when I’m eating breakfast, I tell my parents that I like a guy. “Hey, Mom? Dad?” “Yes?” Mom says. “I just wanted to tell you...” “We’re all ears,” Dad says. “I... like a boy.” “Oh, that’s great! Who’s your crush on?” Mom asks. “Jack.” “From your friend group?” Dad asks. “Yep.” “Well, you’ll figure it out how to admit your feelings for him, sooner or later,” Mom says. “And if you ever need any tips, talk to us. We’d be happy to help!” “Thanks,” I say as I give them a hug and then head out. I pass Eternyx while teleporting to Earth. I wave hi to Camila Cabello. I pass a few other Just Dance maps before finding Sara. “Hey,” I say. After telling the truth to Sara and sharing what we’ve been doing in our lives, I decide to go and tell Jack how I feel. “Bye, Sara!” I say, as I cast a portal to Eternyx. “Bye, Wanderlust!” Sara says as I go through the portal. After I’m there, I knock on Jack’s front door. *This is it*, I think. *I’m finally gonna tell him how I feel*. “You better not be a fan!” Jack cracks the door open. “Oh, Wanderlust! Come in!” I come in the house. “So, what have you

been doing?" Jack asks. "I talked to my parents and Sara, and I'm here to tell you..." I pause for about 20 seconds. "I like like you. What I said at the mall was just because I was shy to admit my feelings." "But now, I see that I don't have to be worried. It's just a yes or no. So, do you wanna be my boyfriend?" I say, nervously. "Yeah," Jack says. "That would be nice." He started to kiss me, and my heart... felt so full. I wasn't expecting the kiss, but I started to kiss him after I got into it. And that's the story of how Jack Rose became my boyfriend.

THE END
