

Howe's It Going? Room 21 Newsletter: 8/25-8/29

Happy Friday!

This week in math, we worked on addition and subtraction, with word problems. In reading, we finished our first lesson in our reading textbooks. Our reading skill we were working on was summarizing. In grammar, we continued identifying and categorizing nouns. In science, we read our first lesson in our science curriculum on force and motion. We got to do a couple of inquiry activities that helped us visualize these concepts.

Please see below for information about the upcoming student council vote. Anyone is welcome to run for our classroom!

I hope everyone has a fun and safe Labor Day weekend!

Go Pioneers!

-Miss Howe

Important Dates

- ❖ September 1: Labor Day (No School)

CALLING 4th and 5th GRADERS!!!!

It's time to elect our Student Council officers.

What is student council?:

Mission Statement:

The Mintonye Elementary Student Council will represent ALL students.

The representation and leadership efforts of the Student Council will provide opportunities for students to contribute to and support our school.

Some questions to ask yourself:

Are you a leader? Are you organized? Are you responsible? Are you a team player? Do you have great ideas? Are you a good listener?

If you answered yes to most of these questions then this is the job for you!

Here's what you need to do next:

If you would like to become a Student Council member you need votes from your classmates. You will make a poster and give a speech or presentation to your class as to how you will represent them. Your teacher will tell you the date for presentations/speeches. Fourth grade will have one representative from each class and fifth grade will have two representatives from each class.

Please do not bring in any candy, food, or other treats in order to gain more votes.

What if I'm elected?:

You will meet with the other council members a few times a month along with Mrs. Honsowetz and Miss Howe. As a team you will work together on some different projects and fundraisers. You will report back to your class the things discussed in the meetings.

Voting will be held on Wednesday, September 10th.
