Click on the professional development tab

You have 3 options to the right

Current, Completed, History

You can view current course

Courses you have already completed

History will show all courses you have taken by categories and amount of credits for each category

The screenshot shows the STRIVE Professional Development interface for Linda Coolbaugh, a TTTESS Teacher Master Year 1. The interface includes a sidebar with navigation options: Personal View, Campus View, Credits For Approval, Available Courses, Appraisal Alerts, Reports, and Settings. The main content area has tabs for Goals, Evaluations, and Professional Development. Under the Professional Development tab, there are buttons for 'Update Profile' and 'Current', 'Completed', and 'History'. The 'CURRENT COURSES' section displays a table with the following data:

Name	Date	Type	Survey	Status
Results Coaching Refresher Training	9/13/2019	Standard Course	Not Required	Registered
