Welcome to the Ross Game Library!

What: A collection of games curated by the PTA for families and teachers to borrow.

Why: In addition to being fun, games are a great way to learn and develop specific skills and foster positive interactions and creativity! Playing games has been proven to help children develop important cognitive and social skills such as patience, teamwork, communication, strategic and analytical thinking, math, and reading. This also gives everyone a chance to share games they are no longer using and be able to try new ones.

Where: The game library will be housed on the lower floor next to the cafeteria.

How It Works:

1. **Choose Games**: Select games you would like to borrow. We ask that each family borrow a maximum of 3 games at a time.
2. **Sign Out Games to Borrow**: Sign the check-in/out sheet with your name, email, and date next to the specific game(s) that you are borrowing.
3. **Sign In Games to Return**: Once you are done with the game, please bring it back to the game library and sign the check-in/out sheet to note that you've returned the game(s). Please try to return games within 1-2 weeks in case other families would like to use them.
4. **Check for Pieces**: Please double check that the game you are returning has all the pieces it came with. If you notice missing pieces, please let us know.

Who Can Borrow Games:

Parents can borrow games on their own or with their children. However, we are asking that children don't sign games out on their own.

Teachers are encouraged to borrow games as needed for their classrooms. Please make sure to check them in and out.

Questions and Donating Games:

If you have questions, suggestions, or games you would like to donate games, please contact **Sarah Roma** (sarahandsokol@gmail.com).

Criteria for donating games

1. In good condition, not broken, and has all necessary pieces to play.
2. Geared towards ages 4-12
3. Can be easily transported and stored.

Please let us know if you drop off/ donate a game so we can add it to the list.

If a game doesn't fit in the collection or we have too many of one game, we will donate them.
