RE: Calendar Adjustment: Fall Elementary Parent-Teacher Conferences

STRATEGIC PLAN ALIGNMENT: Organizational Strength

The purpose of this memorandum is to request a minor adjustment to the approved 2026–2027 school calendar regarding the scheduling of fall Elementary Parent-Teacher Conferences.

Because the start of the school year was moved one week earlier, we need to adjust the elementary conference dates accordingly to maintain the appropriate instructional window before conferences take place.

The initial board-approved calendar schedules these conferences for October 8 and 9. This proposed adjustment will advance the timeline by one week, shifting the elementary conference dates to **September 30 and October 1**.

Thank you for your time, consideration, and continued support of our schools. Please let me know if you have any questions prior to the upcoming meeting.

Recommendation: Approve the updated calendar
