JAVA MusicAktion

Booking Terms & Conditions

Please read these terms carefully before completing your JAVA MusicAktion booking. By confirming your enrollment you agree to all conditions set out below.

Your First Session Is Complimentary

Your JAVA journey begins with a complimentary first session — a full, genuine experience of the programme before your semester commitment begins.

If, after attending Session 1, either your family or Alabanza Music determines that the programme is not the right fit, you will not be charged further and no semester obligation applies.

If you have already paid and wish to withdraw after Session 1:

- TTD \$400 of the fee paid will be retained by Alabanza Music
- The remainder will be refunded to you

Refund requests must be submitted in writing within 48 hours of your first session.

Programme Participation

Alabanza Music reserves the right to approve participation and to discontinue enrolment where necessary to preserve the quality, safety, and learning environment of the programme. Where participation is discontinued after the complimentary first session, the refund policy above will apply.

Financial Commitment

I understand that payment is due immediately and that once my committed 5-month semester begins, I am legally obligated to pay the full balance for that duration.

No refunds or credits are issued after the first session for early withdrawal or missed classes once the semester commitment is in effect.

What You're Paying For

JAVA MusicAktion full membership fees per semester:

Item	TTD	USD
Tuition & Onboarding	TTD \$1,000	USD \$160
Musikgarten Materials	TTD \$300	USD \$48
Total	TTD \$1,300	USD \$208

How to Pay

Choose the payment option that works best for you:

Option	Details
Option 1 — Pay in full	TTD \$1,300 / USD \$208 due at booking
Option 2 — Split payment	TTD \$900 upfront + TTD \$500 balance due by Week 4

Currency	Method
TTD	Debit card via WiPay
USD	Credit card via PayPal (no account needed)

WiPay accepts cards with 3D Secure authentication — an extra layer of security that may prompt you to verify your payment with your bank before it goes through. This is normal and keeps your transaction safe. For USD payments via PayPal, no PayPal account is required — you can pay directly with your credit card.

Confirming Your Booking

Your place is only secured once payment is confirmed. Once paid, you'll receive:

- Booking confirmation email
- WhatsApp confirmation from our team

Class details — location, what to wear, what to bring — will be sent via WhatsApp to the JAVA Families group before your first class.

Safety & Responsibility

As the legal guardian, I assume full responsibility for the participant's safety and behaviour during all JAVA MusicAtion sessions.

I release Alabanza Music and its property owners — including University locations — from all liability for injury or loss, and agree to hold the programme harmless.

Service Continuity & Credits

- If an in-person class is disrupted, Alabanza Music may reschedule or move it online to ensure continuity of learning
- If a class cannot be held or rescheduled, a tuition credit will be applied to your account
- Refunds apply only if a class is permanently discontinued by Alabanza Music

Active Participation & Engagement

I acknowledge that JAVA MusicAktion is an active, caregiver-engaged programme. I agree to be present, punctual, and actively involved in sessions as required by my membership tier.

I commit to reinforcing musical activities at home to support my child's developmental progress between sessions.

Session Scheduling & Absences

- Sessions run on your assigned weekly class day for the duration of the semester
- No refunds or credits for missed classes once the semester is underway
- If you cannot attend in person, contact us at least 2 hours in advance — your child may join online or access the recorded session

Waitlist

If your preferred session is full, you may be offered a place on the waitlist. A tentative start date will be provided and your confirmed start date communicated via WhatsApp. Waitlist placement does not guarantee enrollment. No payment is required until a place is confirmed.

Semester Schedule

Current semester: Iere Semester (now — August 2026)

Coming up: Parrandero (Sept–Dec) · Calypso (Jan–Apr)

Media Consent

Classes, performances, and special events may occasionally be photographed or recorded for educational, promotional, and archival purposes unless otherwise communicated in writing. You can opt for either group or individual consent.
