

Red Flood Changelog

0.3.6.2 Two Steps Forwards -> 0.3.6.3 Two Steps Forwards

- **Fixed Issues**
 - Fixed inconsistent crashing upon selecting and loading into a country
 - Fixed France officer corps advisors disappearing when you choose one
 - Fixed Finland officer corps & theorists missing traits
 - Fixed France getting cores on Tunisia through its Islam focuses
 - Added minister icons to Baltic General Governorate & fixed missing/wrong traits
 - Fixed missing portraits from Russian and Novorossiyan generals
 - Fixed Belarus theorists missing traits
 - Fixed Leontic removing some of his own party popularity instead of Accel one
 - Fixed Kavkaz's "Bolshevism for Eurasia" not granting its manpower buff
 - Fixed Australia's flag not acknowledging the absence of Western Australia
 - Some Spanish Civil War fixes
 - Fixed Gorgulov's national spirits not merging properly
 - Added Srem state for neater Kaiser Karl borders
 - Fixed Kavkaz unification not moving the capital
 - Fixed Prussia not being fully annexed by the Intermarium
 - Fixed Marinetti not being able to complete his final focus if you puppeted instead of fully annexed
 - Removed decisions relying on Green Ukraine being accel, which it can never normally be
 - Fixed German pan-Germanists accidentally being more radical than Hitler
 - Numerous localisation fixes
- **Known Issues**
 - Missing localisation
 - Annexation events are still WIP and may have bugs
 - Stalemates/AI failing to advance
 - AI declaring wars on nations they cannot reach

As usual the Red Flood team would like to thank all our fans for their feedback, support and bug reports.
