Student Mentoring Program: Submittal 2

All information in the submittals will be posted to the SMP website except for the project schedule, outline and team roster. The project schedule and outline is for the team and program coordinator's use only.

***If all team member permission slips have not been turned in by this deadline, the 30 points will be forfeited.

Is your team in middle school or high school?

School Name (and team number if there is more than one team from the school)	
Team Leader's Name (teacher)	
Mentor's Name	
Project Title (to be used for written report)	

Updated Problem Statement

A short paragraph explaining your project; a summary of what your project will be; a condensed overview of your project.

Schedule Updates

Updates to team milestones and activities.

Proposal Outline with Recommendations and Action Plan

This outline will drive the writing of your proposal.

Team Roster and Organization

Students' names, grades, and responsibilities
