base on top of the inked stamp and run a clear block over it to ensure the ink transfers to the cardstock. Gently lift card base off stamp.

3. Cut a 4-7/8"x3-5/8" piece of Basic Black cardstock. Cut a 4-3/4"x3-1/2" piece of Toile Tidings Designer Series Paper (DSP). Sponge edges of DSP with Soft Suede ink. Glue with Multi Purpose Liquid Glue to Basic Black piece.
4. Cut a 20" length of Gold Metallic-Edge Ribbon and lay on scratch paper. Run the brush tip of a Dark Real Red Stampin' Blends marker along the ribbon to color it. Tie around DSP panel into a bow. Adhere to card base with Multi Purpose Liquid Glue.
5. Use the brush tips of Stampin' Write Markers to color the rubber of the branch stamp. Use Cherry Cobbler for the berries; Garden Green for the leaves; Crumb Cake for the branches. Breathe on the stamp to re-wet the ink and stamp on Very Vanilla cardstock. Repeat 2 times to get a total of 3 branches. **Optional:** *use a wet Water Brush to lightly go over the branches to smear the ink a bit.*
6. Either use Paper Snips or Cardinal Christmas dies to cut the 3 branch images. Use Mini Glue Dots to adhere to card. Place the adhesive on just the ends of the branches.
7. Stamp cardinal in Memento Tuxedo Black ink on Real Red cardstock. Use either Paper Snips or Christmas Cardinal dies to cut. Adhere to card with Stampin' Dimensionals.
8. Stamp sentiment in Versamark ink on Basic Black cardstock. Sprinkle on White Stampin' Emboss Powder and melt with Heat Tool. Use either Paper Snips or Christmas Cardinal dies to cut. Adhere to card with Multi Purpose Liquid Glue.
9. Add Gilded Gems among branches with Take Your Pick Tool.

10. Optional: Use largest Ornate Layers die to cut from Very Vanilla cardstock a panel for the inside of the card. Stamp sentiment and swirls in Real Red ink. Adhere with Multi Purpose Liquid Glue.
