Learners & Learning

- St. Luke Catholic School + Cooking Lake Airport and College of Aeronautics Partnership Launched!
 - On May 30 our grade 5-8s are heading to the Airport for the day and expanded programming is being developed for students next year! Spread the word! St. Luke is launching an Intro to Aeronautics Program! Not an option program but will be considered enhanced programming.
 - spread the news!
- Water Tank Donation - For a STL garden! Lack of water has always been an issue for our garden situation. Discussed if rain barrels could work and Melissa has some and some ideas for installation. Hauling water would be needed, Melissa will take on the rain barrel situation. Shelby will be there to help if needed.

Wellness

- Tree & Forest Play begins tomorrow and is open on Tuesdays and Thursdays as long as students obey rules and respect the land.

Community Engagement

- Online Safety Presentation April 17th 7-9pm in sherwood park
- [Real Foundation Golf Tournament](#) - seeking sponsors.
