

Every Way Jezebel Described Donald Trump During the Presidential Election

2015

June

- An ambitious corn dog that escaped from the concession stand at a rural Alabama fairground, stole an unattended wig, hopped a freight train to Atlantic City and never looked back
- Orange asshat
- Four-time bankruptcy filer and seething hernia mass

July

- Bone-in ham
- Sun-dried tomato
- A shithead
- Adult blobfish
- Deflated football
- Fart-infused lump of raw meat

August

- Disgraced racist
- Talking comb-over
- Human equivalent of cargo pants that zip away into shorts
- Cheeto-dusted bloviator

- Fuzzy meat wad

September

- Bag of flour
- Human turd
- Not in any way sexist, you bimbos
- A man who cherishes women
- Future leader of the free world
- Decomposing ear of corn
- His own best parody
- A rich idiot ... willing to allow garbage to fall out of his mouth without batting a single golden lash
- Pond scum

October

- Noted troll
- The class clown that everyone wishes would be quiet and let the class learn
- Melting businessman
- The person still inexplicably leading the Republican presidential primary
- Wax museum figure on a very hot day
- Soggy burlap sack
- Bag of toxic sludge
- Your next president and ruler for life
- A brightly burning trash fire
- Impoverished urchin

- Aggressively stupid

November

- Great judgment-haver
- Man-sized sebaceous cyst
- Enlarged pee-splattered Sno Cone
- Empty popcorn bag rotting in the sun
- Man-shaped asbestos insulation board
- Hair plug swollen with rancid egg whites
- Inside-out lower intestine
- Dusty barrel of fermented peepee
- Usually reasonable burlap sack full of rancid Peeps
- Degloved zoo penis
- Presidential candidate and bargain bin full of yellowing Jean-Claude Van Damme movies
- Hairpiece come to life
- Normal-looking human man and entirely credible choice as future leader of the free world
- Decomposing pumpkin pie inhabited by vicious albino squirrels
- A dishrag that on closer inspection is alive with maggots
- Lead paint factory explosion
- Candied yam riddled with moldy spider carcasses

December

- Enraged Gak spill

- The shriveled pinto bean you had to pluck out of your Chipotle burrito basket
- Human-sized infectious microbe
- Poorly-trained circus orangutan
- Chester Cheetah impersonator
- Lumbering human-like tardigrade
- A tiny piece of dried cat poop that you found in your rug
- Animate funnel cake

2016
