Sources of Strength- Sources of strength is a group of peer leaders who believe positive friends, mentors, generosity, family support, medical access, healthy activities, spirituality, and mental health are key components in creating an inclusive community for a diverse group of students and staff. Our mission is to spread Hope, Help, and Strength into every corner of our community. We know our most powerful impact comes from our personal actions, conversations, and messages that use our music, our art, our writing, our activities, our social media, our culture, and our voice. We believe that every individual has an impact and the ability to create a positive community. Through projects and active student involvement, Sources of Strength enriches the culture of Lake City High School.
