☆ Rearranging

- Secrets of wysteria **-3** — a lot of you guys weren't happy about it being in tier 3. i rewatched the video and looked into the case again and I honestly agree now,
- True love restraint **+1** — it's just yandere c'mon we've seen it before
- The name **+1** — no violent/graphic themes, felt misplaced
- Love love nightmare **+1** — video isn't as creepy as I remembered
- The last supper **-1** — I remembered the cannibalism
- rei ken ren ga dai hae un i ren wo rui **+1** — not as dark as the songs in tier 6
- Prisoner of love and desire **+1** — placed low because of the incest, then someone made me realise most people don't know about it because it's only mentioned in the wiki, not the actual lyrics
- Blood mary **+1** — not as dark as the songs in tier 6
- Rotten girl grotesque romance **-1** — swapped with bloody mary to fill the gap lol
- Scissorloid **-1** — the rest of the violent songs didn't start appearing til tier 3, so I moved it down
- Fear garden **-1** — same reason as scissorloid
- Psychogram **-1** — same reason as scissorloid and fear garden
- Madness of duke venomania **-1** — just way worse than any other song in tier 2
- Evil food eater conchita **-2** — she ate herself man
- Bacterial contamination **+1** — felt very misplaced with all the violent songs
- Rolling girl **+1** — also felt very misplaced with all the violent songs
- Banshee strikes **+1** — not as creepy as the songs on tier 5
- Suicide girl **+1** — not as graphic as the other songs on tier 6
- It's okay **+1** — the lyrics aren't dark enough for tier 4
- 50/50 **-2** — actually pretty violent, was out of place in tier 1
