

Butler Equestrian COVID Protocols

Clients agree to follow the list of protocols below.

1. Mandatory use of face masks during drop-off procedure. Face masks must be worn when a social distance of 3ft can not be observed. We will not provide masks. Masks with valves are not permitted.
2. Requiring the use of antibacterial.
3. Completion of the [Wellness Form](#) before coming on property for every lesson via the Google Classroom link. This assures our compliance with contact tracing requirements.
4. Mandatory small groups, no congregating. The number of people on the property is overseen by Equestrian Directors. We account for 1 student and 1 parent. If you would like to bring a guest, you must ask either Emily or Jessica within 24 hours before you come on the property.
5. Parents must take the temperature of the child and themselves in front of the instructor during the drop off procedure and before getting out of their car. We require the use of your own thermometer.
6. All clients must sign a COVID Release and Protocol form before coming on the property.
7. The client's time on the property will be strictly scheduled. Clients must adhere to their allotted time.
8. Clients will assist with the cleaning of all regularly touched surfaces and tools after each use/touch.
9. Butler Equestrian has the right to refuse service to any client who does not comply with our COVID Protocols.

By signing you and your child agree to follow the list of protocols when handling and on Butler Equestrian property.
