REDWINE
& CO

READING, OH

Founded by Seth and Lindsey Redwine in 2017, Redwine & Co. is built upon the foundation of community, with the understanding that it is the people who make this place truly special. We are passionate about our community, its residents, and those who visit.

The building of 20. W Benson has a rich history, and we are incredibly proud to be its occupants. In 1887 Mrs. Josephine Ludlow opened a saloon located at 20 W Benson Street, and although the building briefly operated as a pharmacy from 1889 – 1939, it has since been the home to a variety of beloved bars and restaurants with a rich history in serving the community of Reading. We have worked incredibly hard to bring this storied building back to life with the goal of creating a welcoming environment for all, in hopes that it is a place where conversations will happen, relationships will grow, and where the community will gather.
