Trivia:

"Whats your favorite Music Genre?"

I REALLY love Pop and R&B. A lot of western artists inspire me especially when I used to stay in America.

"Whats your special talent?"

I am INSANELY flexible, I am also double jointed in all of my fingers!

"If you could travel one place and stay there forever, what would it be and why?"

Mm, probably somewhere like Panama City Beach! I've been there multiple times for trips and it was GORGEOUS. The beach especially!

"Morning or Night?"

It depends. I really like the mornings but only if it's not TOO early. Same with night, I can stay up all night unless it gets passed 3AM.. Which is morning! -laughs

"Whats your favorite food?"

I love Tteok-bokki! I had it when moving to Korea and it was amazing! Especially the cheese ones!

"Whats your favorite animal?"

OH. MY. GOSH. CATS 100% They are so adorable and especially the tiny ones, I have 2 of my own! A black cat named Moon and a ginger cat named Sun! Perfect right?

♡-, 🍷 \*° : **Audition Info: Join the Thrillride** ! :: \_\_\_\_\_

For the audition process in the first episode, I want there to be live performances for the audition. So if you could, please put links to some *soloist* stages. Also keep in mind when filling this out back-up dancers won't be on the stages, meaning I will completely ignore them. So if the choreo heavily relies on them please reconsider. If you have any questions please let me know!
