Contract Agreement for EMDR Group Consultation

This agreement outlines the expectations regarding group consultation toward EMDRIA Certification in EMDR. Consultation groups for clinicians seeking EMDRIA Certification are structured as follows:

- According to EMDRIA requirements, the maximum group size for EMDRIA Certification consultation is 8 consultees for a 2-hour group and 4 consultees for a 1-hour group.
- IF you use more than one Approved Consultant in your journey toward EMDRIA Certification, I require a minimum of 10 hours of group consultation prior to writing a recommendation letter for you to submit for EMDRIA Certification. Consultees must present current/recent case material on all 8 Phases in order to obtain documentation for 10 hours of group consultation toward EMDRIA Certification.
- Consultees are expected to come prepared to present case material, complete with notes on that case. Cases will be presented using the EMDR case presentation form. My goal is that each participant will discuss some aspect of their clinical work in each meeting. You may schedule a separate individual consultation to help ensure the opportunity to present a full case.
- Do not include any information that will identify the case you are presenting.
- The group will meet for 55 minutes and meetings will be held virtually.

Session Format

Each group member will have the opportunity to introduce themselves to the group and identify a question or a partial case to present.
