

Accessing Technology and Internet at Home

Updated 4/21/20

Do you need access to the Internet and/or a computer?
Here are some options for you to check out.

Connecticut Cable, Internet and Cellular Phone Providers

The programs/companies below offer discounted Internet and/or computers based on need. West Hartford Public Schools provides this information as a public service - being listed does not signify endorsement by the district. Please contact providers directly for more information.

Comcast/Xfinity Internet Essentials -Internet Essentials is Free to New Customers: It is now even easier for low-income families who live in a Comcast service area to sign-up for Internet Essentials, the nation's largest and most comprehensive broadband adoption program. New customers will receive 60 days of free Internet Essentials service, which is normally available to all qualified low-income households for \$9.95/month. Additionally, for all new and existing Internet Essentials customers, the speed of the program's Internet service was increased to 25 Mbps downstream and 3 Mbps upstream. That increase will go into effect for no additional fee and it will become the new base speed for the program going forward. For eligibility and to apply, visit <https://www.internetessentials.com/covid19>

Xfinity WiFi Free For Everyone: Xfinity WiFi hotspots across the country will be available to anyone who needs them for free – including non-Xfinity Internet subscribers. For a map of Xfinity WiFi hotspots, visit www.xfinity.com/wifi. Once at a hotspot, consumers should select the "xfinitywifi" network name in the list of available hotspots, and then launch a browser. 1-855-8-INTERNET (1-855-846-8376).

Cox Connect2Compete - <http://Cox.com/LowCostInternet> \$9.95 per month, free wifi modem, free installation, no deposits. Only available in parts of West Hartford. Check website for details.

Frontier Lifeline Program - <https://frontier.com/resources/discountprograms/lifeline-program> - offers discounts on plans according to need and plan selected.

Everyone On - <https://everyoneon.org/> - a non-profit organization that provides free or low-cost internet services and computers to low-income families in 48 states and the District of Columbia.

Kaplan Computers (Manchester) - <http://kaplancomputers.com/> specializes in low cost, high quality new and refurbished computers and related equipment.

Most work for school can be completed with a **chromebook** - these internet-based computers can be found at Best Buy, Staples or other electronics store for \$150 or less...you will need internet access to use these.

Altice USA Broadband (Optimum)

Note from Comcast: Pausing Our Data Plan: With so many people working and educating from home, we want our customers to access the internet without thinking about data plans. While the vast majority of our customers do not come close to using 1TB of data in a month, we are pausing our data plans for 60 days giving all customers Unlimited data for no additional charge.

Cellular Data Plans

T-Mobile

- All current T-Mobile and Metro by T-Mobile customers who have plans with data will have unlimited smartphone data for the next 60 days (excluding roaming).
- T-Mobile will provide T-Mobile and Metro by T-Mobile customers an additional 20GB of mobile hotspot/tethering service for the next 60 days.
- T-Mobile is working with our Lifeline partners to provide customers free extra data up to 5GB of data per month for the next 60 days.
- T-Mobile is also increasing the data allowance, free of charge, to schools and students using our EmpowerED digital learning programs to ensure each participant has access to at least 20GB of data per month for the next 60 days.
- T-Mobile is offering free international calling for all current T-Mobile and Metro by T-Mobile customers to Level 3 impacted countries.
- To learn more, visit T-Mobile's website.

AT&T

- Waiving domestic wireless plan overage charges for data, voice or text for residential or small business wireless customers incurred because of economic hardship related to the coronavirus pandemic.
- Offering all public and private school students from K-12 to colleges and universities unlimited wireless broadband connectivity with AccessMyLAN program at no cost for 60 days on new qualified data-only line activations (which include tablets, iPads, MiFi and Aircard devices). To learn more about the AccessMyLAN visit their website.
- Unlimited AT&T Home Internet – All AT&T consumer home internet wireline customers, as well as Fixed Wireless Internet, can use unlimited internet data. Additionally, we'll continue to offer internet access for qualifying limited income households at \$10 a month through our Access from AT&T program.

- AT&T World Connect Advantage – Business customers currently on or who purchase an AT&T World Connect Advantage package receive 50% off the current rate in a monthly bill credit (max \$7.50/mo.).*
- Helping You Work and Learn Remotely – Businesses, universities and schools can keep their teams and classrooms connected through conference calls and video conferencing with Cisco Webex Meetings with AT&T for 90-days, and seamlessly forward calls to both mobile and landline phones with AT&T IP Flexible Reach.
- Distance Learning – AT&T is underwriting expenses for a “one-stop” resource center to support eLearning Days from the State Educational Technology Directors Association (SETDA) available to all educators in schools to help them handle school closures and the increase in virtual learning due to COVID-19.
- AT&T PREPAID is offering three new ways to help ease financial stress during these difficult times. Beginning Friday, March 27, AT&T PREPAID is here to help with these offers:
 - o The new \$15 plan for 2GB of data with unlimited talk and text will be available to new and existing customers with no activation fee.
 - o An automatic 10GB per month of additional data is being added temporarily to all capped phone plans for 60 days
 - o Customers with an Unlimited Plus plan with tethering will receive 10GB of additional tethering per month for 60 days
- To learn more, visit AT&T’s website.
